SCOTTDALE

May I have your attention please . . . It's now approximately 8:02 . . . I *think* those are all the announcements for this morning . . . It's another day of school.

The faces tell the story of — boring teachers, undone assignments, silly mistakes, occasional enlightenment! — Southmoreland classes.

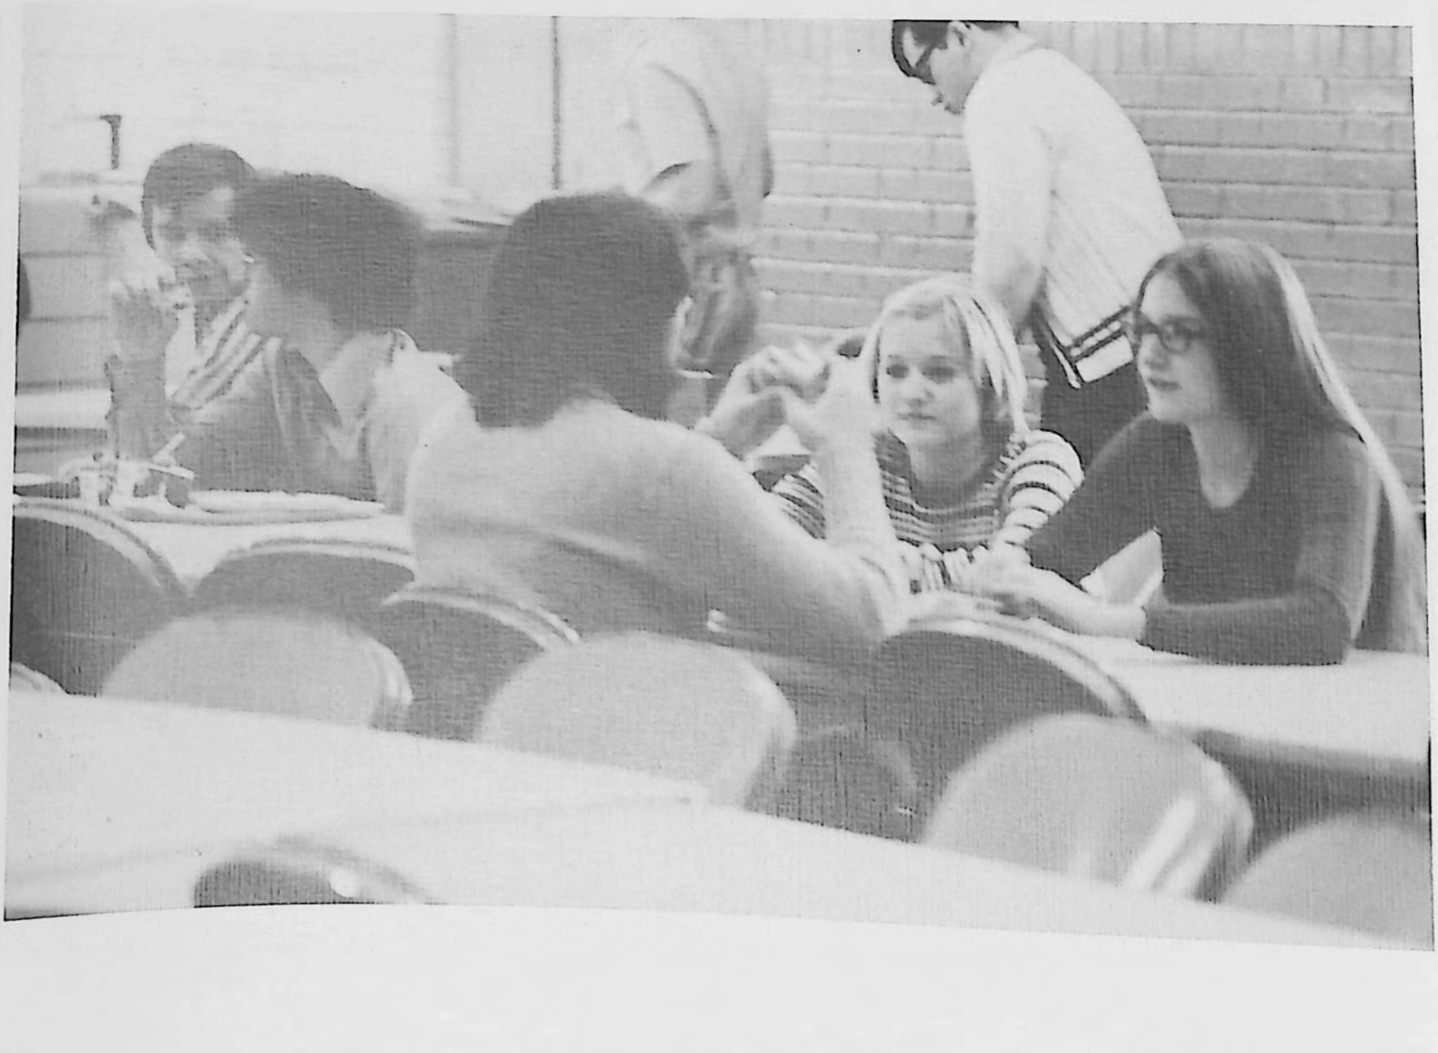
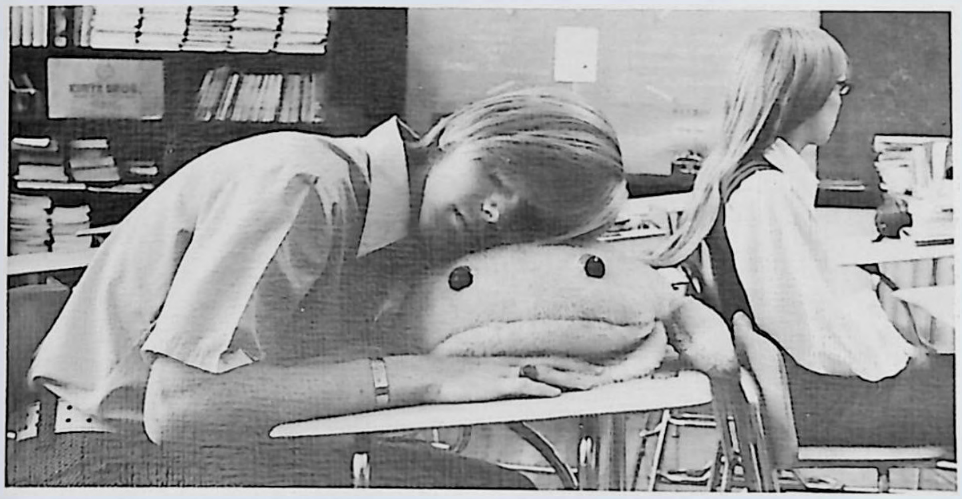
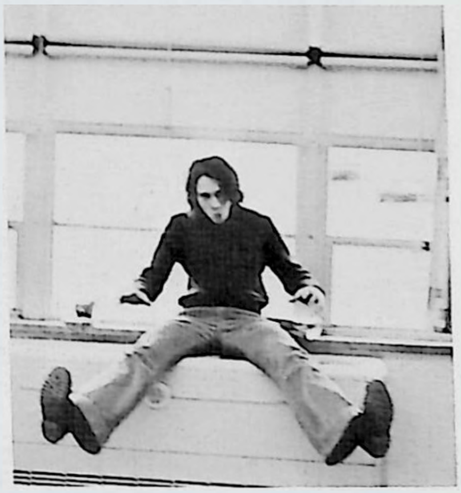
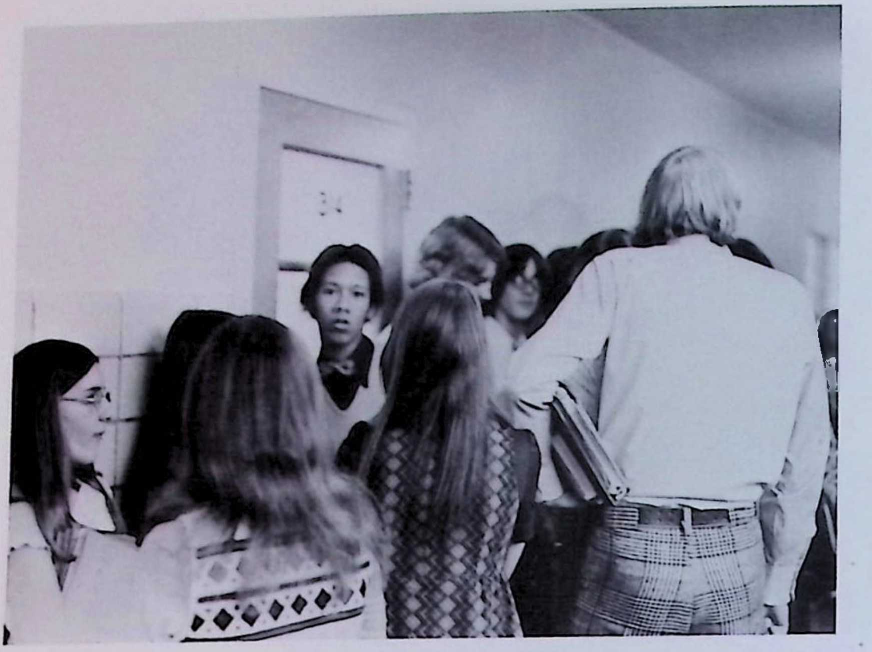
With lots of catsup, salt, and milk; even the Southmoreland lunches become bearable.



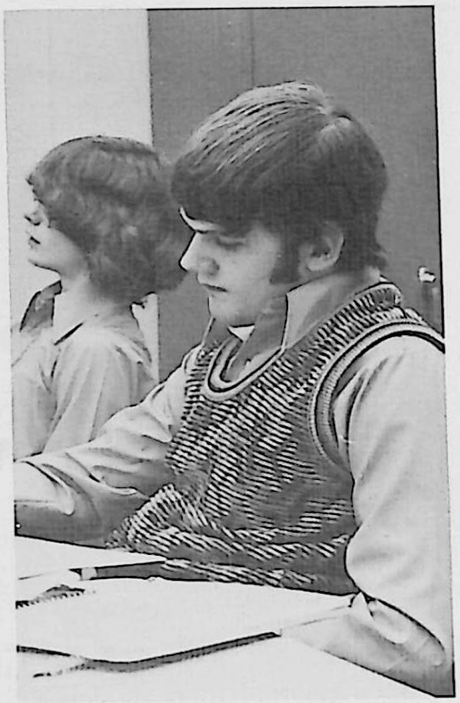
Our class time at S.H.S.
is many different things
to many different people.





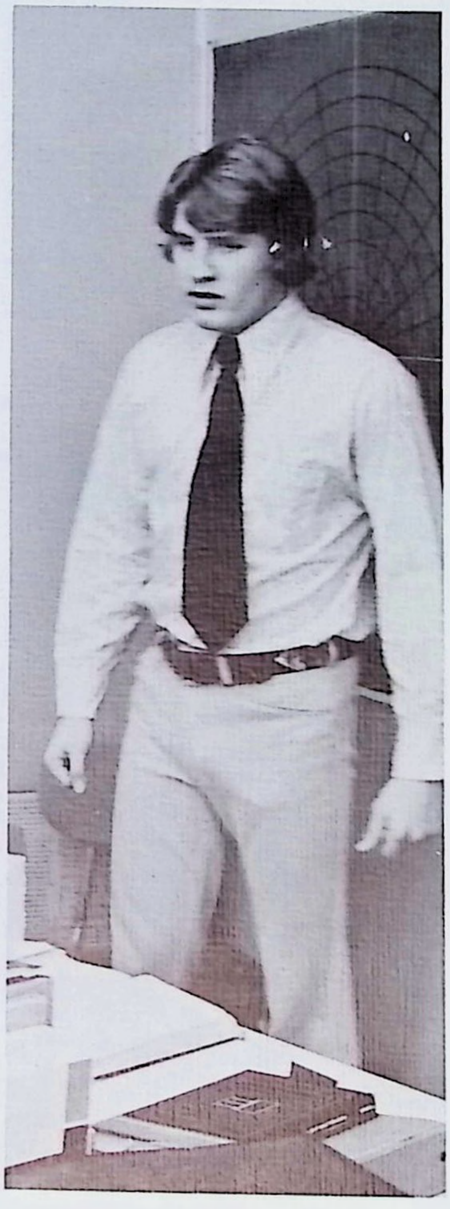


Learning like light and dark —
sometimes we understand,
sometimes we don't,
sometimes we don't even try.

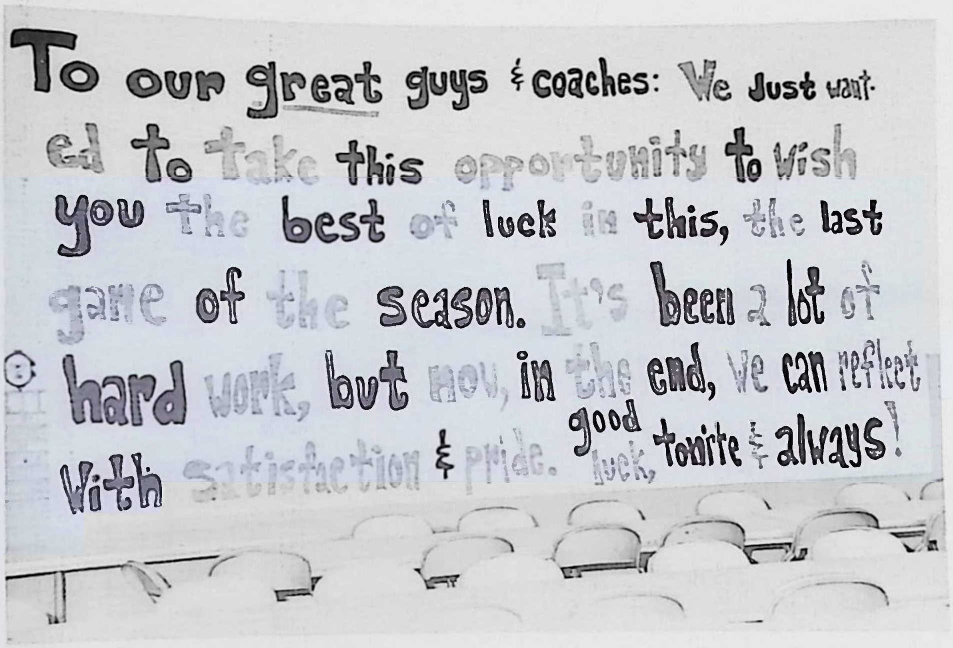


True to Southmoreland tradition, on April 11, 1973 students attempted to take on faculty responsibilities.

Some of them even got to teach!



Getting the guys fired up.



To our great guys & coaches: We just wanted to take this opportunity to wish you the best of luck in this, the last game of the season. It's been a lot of hard work, but now, in the end, we can reflect with satisfaction & pride. good luck, tonite & always!

My experiences as homecoming queen were experiences of mixed emotions filled with smiles, joyful tears and lots of unforgettable memories. I was proud to think that my classmates thought so much of me to let me represent them as their queen. It was an indescribable thrill and a moment I'll cherish for the rest of my life.

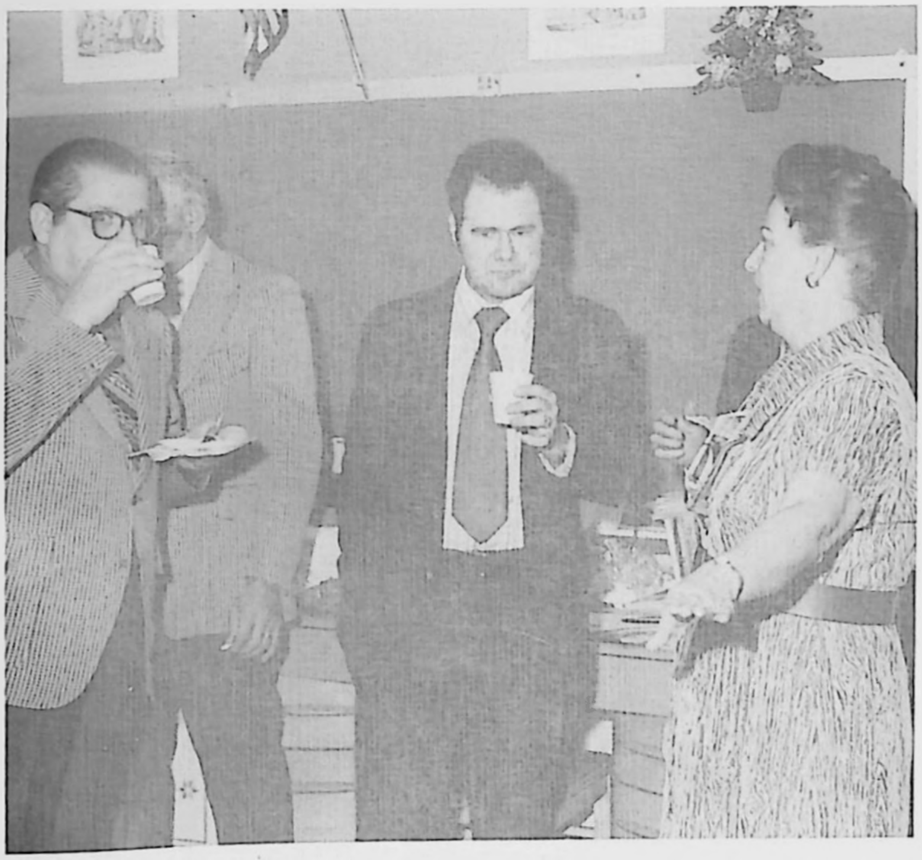
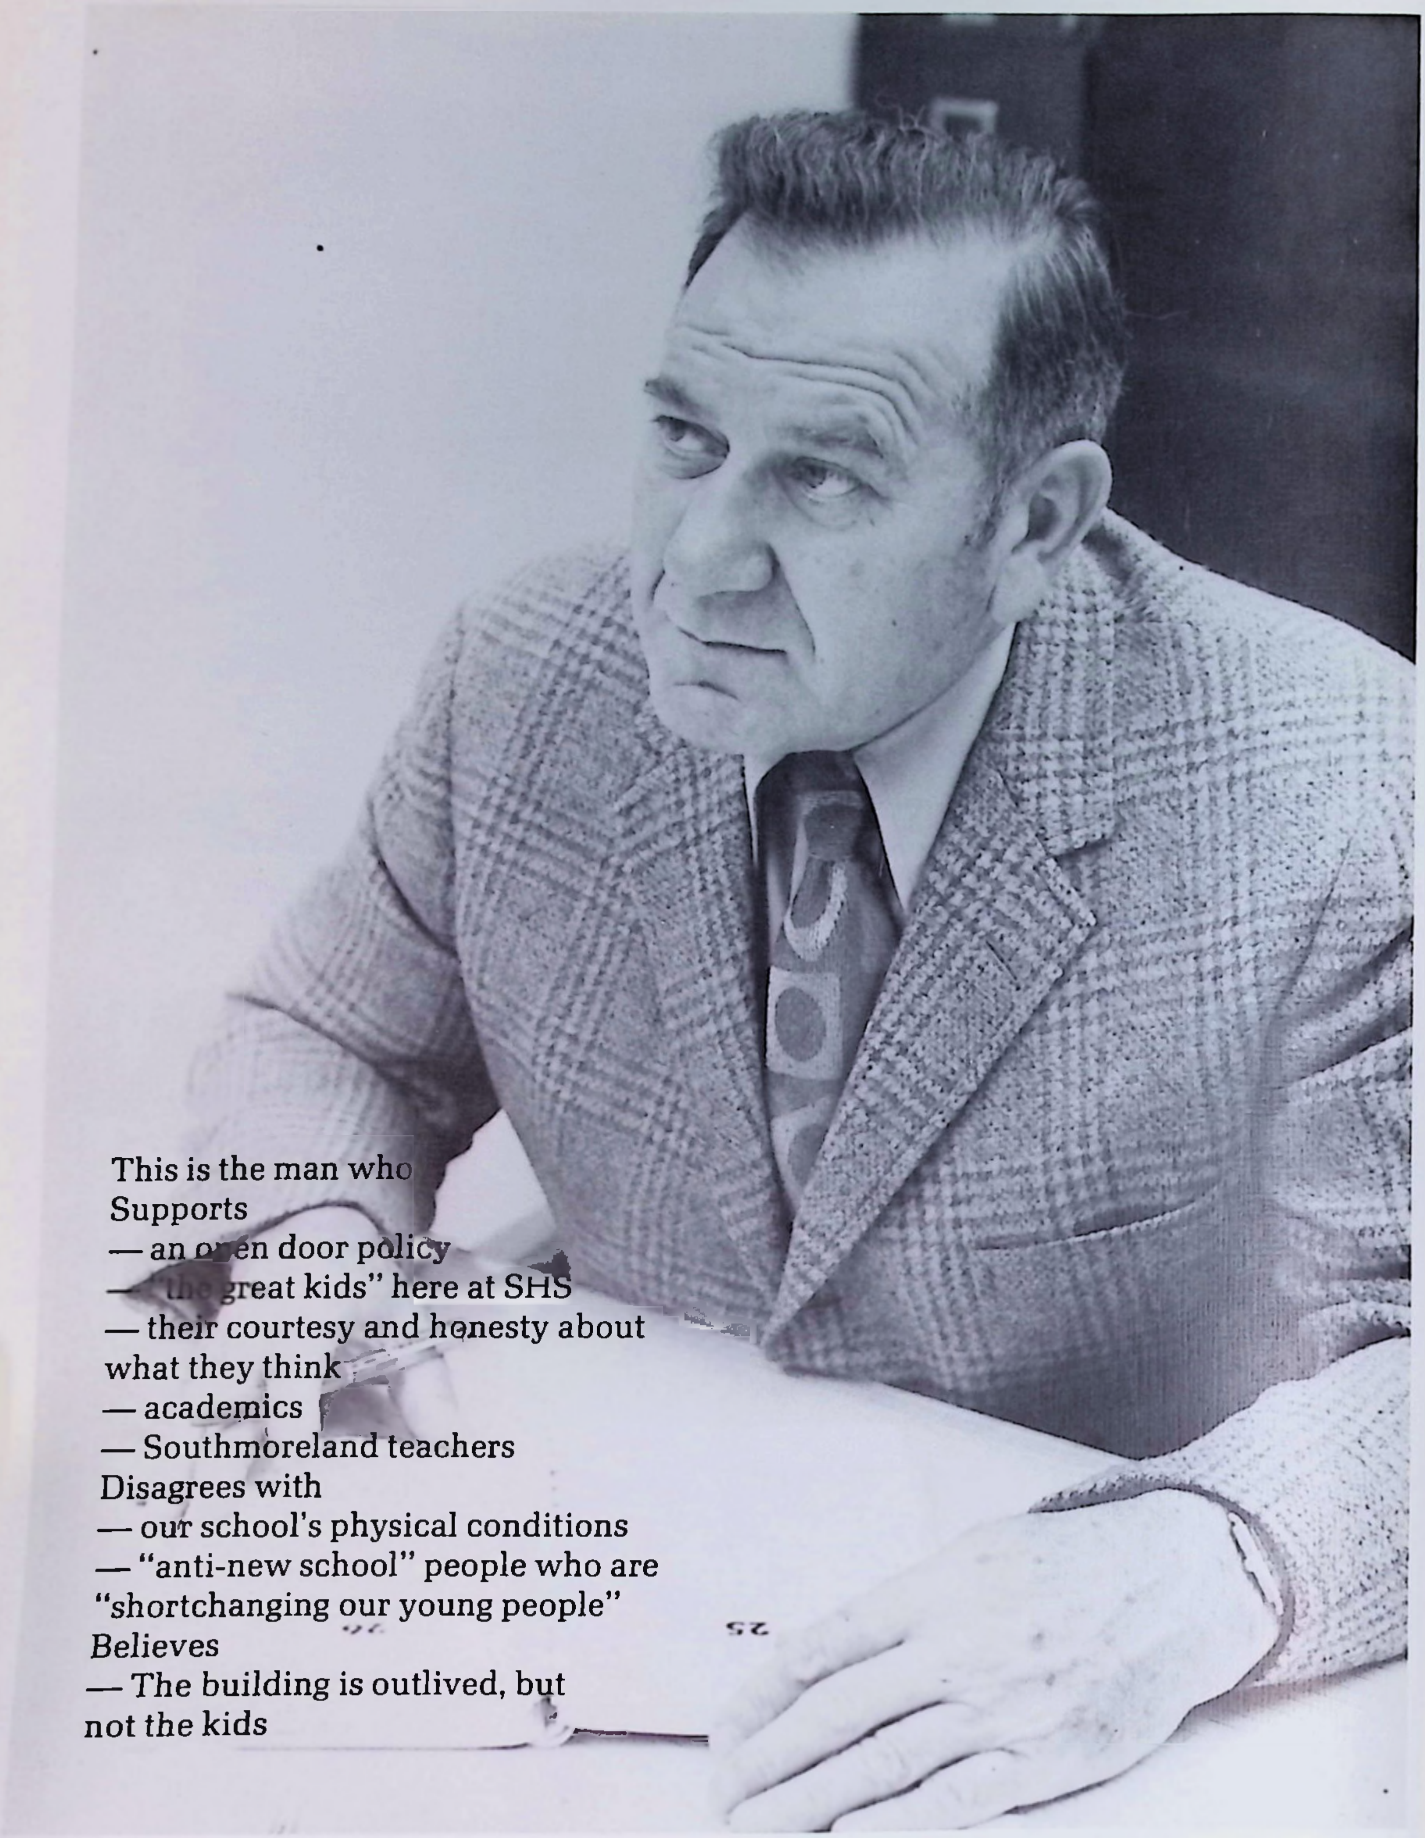
Administration

SUPERINTENDENT OF SCHOOLS
J. Gordon Nevin

ADMINISTRATIVE ASSISTANT
C. Walter Keibler





This is the man who
Supports
— an open door policy
— "the great kids" here at SHS
— their courtesy and honesty about
what they think
— academics
— Southmoreland teachers
Disagrees with
— our school's physical conditions
— "anti-new school" people who are
"shortchanging our young people"
Believes
— The building is outlived, but
not the kids
